### We have new space!

Have you noticed some changes lately? We have taken on more space at our current location! We're excited to show you around, give you a tour, and re-introduce our systems to you. Thank you for your patience as we rearrange furniture and put in finishing touches over the next several weeks.

### Thank you

I wanted to take the time this spring to thank our Behavior Bridges community for the love, dedication, and commitment to quality that you have shown over and over again for yourselves and your loved ones. We wouldn't have it any other way, but we appreciate the honor you give us every day to serve you and provide quality ABA, social groups, workshops and trainings. Thank you for choosing Behavior Bridges and for the trust you put in us to support you and your family.

All my best,  
Laura O'Rourke, Owner & Executive Director

### Coming soon!

Caregiver Meetups with Special Topics! We will be piloting some new programs for parents and caregivers! We are currently working on topics and schedules, so if you have any ideas or preferences, please let us know!

### COVID-19 Update

It's respiratory illness season! Please review the latest health department guidelines and remember to follow prevention strategies such as washing your hands, covering coughs and staying home for 24 hours after you have a fever or if you stayed home from work or school. We can't wait to see you again when you feel better so everyone can stay healthy!
