Because of this, we are working to renew or forge new relationships with a variety of community partners, including Developmental Disabilities Administration, Mary Bridge Children's Hospital, Puyallup School District and more! We're excited to find new ways to show up wherever and whenever others want to collaborate!

SUPPORT OUR GROUPS?

Behavior Bridges needs your help to keep our inclusive peer groups running! Since July 2022, we've provided 2315 free services, but reduced funding threatens these vital programs. We strive to keep our groups low-cost and accessible to everyone, regardless of diagnosis, income, or other barriers. To support this effort and ensure everyone has a place to belong, please contact lorourke@behaviorbridges.com. Thank you for helping us build bridges together!
